GALACTIC FUN PARK, BOOK ONE

“Galactic Fun Park is not only an entertaining read, but a wonderful introduction of teamwork and empathy to young readers. A great ride for the entire family to share together!”

-American Coaster Enthusiasts

Galactic Fun Park finished the summer with record attendance, but the uptick in guest complaints about rodents leave the management no choice but to hire exterminators who set traps near the animal’s burrows and hovels.

The threat of certain death forces the nocturnal animals into action. But pride runs deep within each species, weakening their chance of success.

Can the animals put aside their differences and unite for the good of all? And more importantly, would the effort be wasted on humans who doubted an animal’s intelligence?

PUBLISHER: Two Turkey Publishing, LLC

AUTHOR: Mason Bell

eBook 978-1-7367909-4-6

CATEGORY: Middle-Grade

ISBN: Hardcover 978-1-7367909-2-2

PAGE COUNT: 322

Paperback 978-1-7367909-3-9

ABOUT THE AUTHOR

Mason Bell spent many of her teenage years working under the scorching sun in a popular theme park. Serving in positions from ride operation to sweeping trash to managing work crews, she learned the park's secrets and gained an appreciation for the effort that went into creating the illusion.

Mason Bell lives in South Texas with her husband and two cats, Frodo and Fat Hobbit.
